

CHEROKEE COUNTY ARES / SKYWARN WEEKLY REPEATER NET PREAMBLE

QST, QST, QST – This is the Cherokee County Amateur Radio Emergency Service/Skywarn Net. This is < [call-sign](#) >, my name is _____ and I am your **Net Control Operator** for tonight.

This is a directed net. ALL CONTACTS AND TRAFFIC MUST GO THROUGH NET CONTROL.

All emergency traffic will be handled with top priority during this net. We break now for any emergency traffic, emergency traffic ONLY. Please call < [call-sign](#). >

<**BREAK**>

This net meets every Monday night at 8:00 pm local time for the purpose of planning, practicing and discussing activities of the **Cherokee County Amateur Radio Emergency Service / Skywarn Group**.

This net is open to anyone interested in **ARES, SKYWARN** and **SUPPORT** in Emergency Communications. If you are not a member of ARES but would like to be, please inquire about how to register when you check in.

<**BREAK**>

At this time we will take check-ins from our Section and District Officers Only. Are there any ARES Section or District Officers on board? Please call now.

<**BREAK**>

Are there any stations holding traffic or announcements for the net? Please call <[call-sign](#).>

<**BREAK**>

< *Now let stations with traffic or announcements pass their traffic.* >

We will now accept regular check-ins in order by prefix.

< *Acknowledge each station briefly and move along. Don't make the W's wait forever.* >

Portable or Mobile Stations --- call now		
ALPHA Call-signs --- call now;		<i>Record call-sign, name and location</i>
KILO Call-signs --- call now;		<i>of each station checking in.</i>
NOVEMBER Call-signs --- call now;		
WHISKEY Call-signs --- call now;		

< *Briefly go back through the list and solicit ARES 'specific' traffic* >

Do we have any late stations wishing to check into the Cherokee ARES net?
Please call <[call-sign](#).>

< *Recap Announcements and mention next meeting date and location* >

This concludes the Cherokee ARES Training Net activities for this evening. The next scheduled net will be next **Monday at 8:00 pm local time**. The Cherokee County ARES / SKYWARN net will now come to a close. Net control expresses many thanks to everyone that participated this evening. This is <[call-sign](#)> "OUT"!

< *If it was a short net, hang around for awhile for really late individuals wanting to check in.* >
Thank you for running the net !!!
